Dear Mr. Davis:

In response to your letter dated November 8, 1996 concerning our "best efforts" to obtain the occupation and name of employer for each contributor, we were able to obtain this information for some of the contributors listed in the April 96 monthly report and July 96 quarterly report. See attached schedules. To obtain this information, we sent-out postcards requesting the occupation and name of employer for these contributors. When additional responses are received for these contributors, we will forward this information to the Federal Election Commission in the form of an amended report.

If additional information is needed, please feel free to contact me at (202) 785-9619.

Sincerely,
